Hi Amy,

Please include this email, which has also been sent individually to Councilors Choi and Burk, in the official record for the hearing on April 10th.

Thank you,

Madalyn Stancik

> Dear Councilors Choi, Burk, and Garrett,
>
> My name is Madalyn Stancik and I live at 6536 Amherst Way in Zionsville. I am writing to ask you to vote "yes" to the bond issue for the purchase and phase one of the Carpenter Nature Preserve. This beautiful property will be an enormous asset for our town and I am very supportive of the creation of this Nature Preserve.
