Good Morning,

I am reaching out in support of Carpenter Nature Preserve. Nearly every candidate talks about the preservation of green space and this is an opportunity to preserve green space. It is also a wonderful addition to our community, county, and state. I envision Carpenter Nature Preserve bringing people into Zionsville where they can spend an afternoon, grab lunch, enjoy the amenities of the future park, and fall in love with Zionsville and nature. This is a legacy project and I do hope to see this voted on in favor of CNP. The master plan, grants, and bond make sense for this project. I appreciate your time!

Thank you,

Amanda Rubeck
