Amy,
Attached is the email I sent to my Town Councillors. I am sending it to you so it can be included in the official record. Thank you for your assistance.

Dear Councilors Choi, Burk, and Garrett,

My name is Kristi Jones and I live at 3277 Wildlife Trail, in Zionsville. I am writing to ask you to vote “yes” to the bond issue for the purchase and phase one of the Carpenter Nature Preserve. This beautiful property will be an enormous asset for our town and I am very supportive of the creation of this Nature Preserve. Thank you.

Kristi
