Hello Amy,

Please could you add the following message -

As a Zionsville resident I am reaching out to you as my representative
to request that you vote in favor of approving the development
of the Carpenter Nature Preserve. I very much hope that your vote will
reflect the wishes of the residents you represent so that we do not miss
out on this incredible opportunity for our town.

- and the replies I received from Councillors Brad Burk & Alexander Choi to the official record.

I also sent a message to Councillor Garrett but have not yet received a reply.

Many thanks!

Hello Josephine - Thank you for writing and sharing your thoughts. I've been eager to secure this property for the town - but also to see complimentary dollars offset the bond / tax portion. I've been impressed with the additional financial support, to date. Looking forward to our next meeting - Again, thank you and please keep in touch! Brad
