Subject: Why I don't want the approval of a commission on 5/2

I have lived in the village for 5 years. We have a non-contributing house at 415 W. Walnut. We love it here.

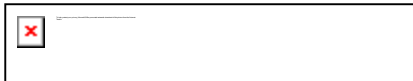

I don't want to pay a fee to get permission to make major changes to the exterior of my house and I certainly don't want to pay a fine if I am not in compliance. The brochure you left on my door did not mention the fees and fines. Seems a bit deceptive to me.
