Subject: Opposition to Historic/Preservation District

My husband and I live at 780 Laurel Ave. I have a background in Urban Planning and Historic Preservation and I am opposed to the establishment of a conservation district in Zionsville. We have issues of Zoning to address and specific houses to preserve, but this is not the best way to correct these issues.

I appreciate your consideration to ALL of the voices of the village and not just a subset that was vocal early on.
