Subject: Opposition to Historic Preservation Commission

Dear Town Council:

I am a village homeowner at 335 W. Ash Street.

I am opposed to a Historic Preservation Commission.

This effort to control Village development has been poorly positioned on a premise of home preservation. Residents have raised solid legal questions concerning this initiative that continue to go unaddressed. This should throw into question whether this Commission and a forthcoming ordinance would really benefit Zionsville and its residents.

Zionsville is better than this.
