Subject: Ordinance for Historic Preservation

I oppose the proposed Ordinance for Historic Preservation!!

I remember a similar attempt of the Town Council to take the rights away from property owners at least 20-25 years ago.

I own four residential houses in Zionsville and commercial property known as Benders Square. For obvious reasons you have heard from your citizens during this “takeover” attempt, I will not delineate them again. I’d be happy to discuss this with any of you who think you have the “right” to control what my family has worked hard for and maintained for many years. Feel free to contact me.
