

Pathways Committee Meeting Minutes
July 20, 2016
6:00pm

Meeting attendees:

Art Small
Bill Spitz

Evan Williams
Paul Watson

Walk Friendly Status

Holding off until our Complete Streets effort is finished.

Complete Streets

The policy is currently being rewritten by Lance. Looking for Town Council approval yet this year.

Elm Street Green to Lions Park Pathway

Art mentioned that he advised the Lions Club that this pathway could be a viable project for them for their centennial anniversary next year.

Interested Party

Don Fitzpatrick came to our meeting asking the status of a potential pathway on the south side of Oak Street specifically from Irongate Drive to Bentley Drive. We advised him that the south side of Oak Street has a pathway already identified at that location (actually all the way to Whitestown) and that it's in our highest priority group.

Next Meeting - Wednesday, September 21st at 6pm
