Vice President Garrett requested further explanation regarding proposed policy #313, Search and Seizure.

President Suarez requested further explanation on proposed policy #305, Officer-Involved Shootings and Deaths regarding the investigation protocols and assignment of the officer(s) involved in a shooting. Captain Morris explained that the assignment of the officer(s) will be explained in the Procedure Manual which will be presented to the Metropolitan Board of Police Commissioners at a future date. Chief Knox explained that in a situation where a Zionsville Police Department Officer discharges their weapon and imparticulary in the case of a wounded or killed person the Boone County Prosecutor's Office will most certainly be involved and may request an investigation by an outside Law Enforcement agency or Special Prosecuor. Chief Knox further advised the Commissioners that such an incident may be investigated by the Federal Bureau of Investigation for review of possible Civil Rights Violations, so review of the incident will most certainly be reviewed by agencies outside of the Zionsville Police Department. However, an internal investigation will occure internally for possible Zionsville Police Department policy adherence and possible violations.

Motion was made to adopt the proposed policies by Vice President Garrett, Seconded by Commissioner Nagy and was passed by unanimous vote.

Public Comment: None

Commissioners inquired if the Zionsville Police Department was going to participate in the curent Lip Sync Challenges that some Law Enforcement

agencies are doing. Chief Knos advised that some members of the agency have met and one is currently in production by I.T. Director Joe Rust.
