Additional Comments:

Met with a roofing and fence contractor to get quotes for repairs due to a huge tree trunk falling and hitting them in a wind storm late June at the Main lift station off of 4th Street. Repairs should be forthcoming in August.

Posted a notice on the Town's website on 7/24 notifying homeowners of sewer cleaning and televising work to begin in Cedar Bend subdivision. The department will also be cleaning in Smith Meadows and Oakridge

subdivisions. Sewer cleaning updates will be posted on the Town's website every week.

Collected 7.50" of rain for the month of July including a total of 1.51" on Friday the 7th and early Saturday morning, the 8th. Had 5 days with over an inch of rain for the month.
