For Immediate Release:

April 16, 2018

Heavy trash collection scheduled for week of May 7

WHAT:

The Town of Zionsville's Street & Stormwater Department will be providing heavy trash collection to Zionsville residents in the urban service district.

Refrigerant-bearing appliances and tires will be collected by Town staff and Ray's Trash Service will collect and dispose of all other items. Although this is a free service, it is requested that anyone disposing refrigerant-bearing appliances and tires contact the Zionsville Street Department to notify the department of the item.

Unacceptable items: antifreeze, oil, gasoline, gasoline cans/tanks, propane tanks, batteries, paint, paint thinners, flammable or toxic liquids, medical waste, construction and demolition debris, any type of fencing, concrete, bricks, sod, soil, trees, tree trunks or stumps.

WHEN:

Heavy trash collection takes place the week of **May 7, 2017** on residents' regular trash collection day. Items must be placed curbside **by 7 a.m. on your regular trash collection day** in order to guarantee collection.

WHY:

This service provides Zionsville residents in the urban district a means to dispose of objects and materials not normally accepted by weekly trash service.

WHO:

Zionsville's Street & Stormwater Department, 873-4544. For more information and updates, visit: www.zionsville-in.gov/152/Heavy-Trash-Collection.
