### **Morning storms spark fire in Zionsville**

At 8:39 a.m. this morning, the Zionsville Fire Department was dispatched to a report of a residence fire at 4130 Fieldmaster Dr. Crews arrived to find smoke and flames coming from the roof of the two-story home. Crews made an aggressive interior attack to bring the fire under control.

One resident was home at the time of the fire. There were no injuries reported to the residents or fire crews working at the scene. Preliminary damage estimates for the home and contents may reach as high as \$50,000 according to fire department officials.

The cause of the fire was determined to be a lightning strike to the residence following a line of storms that moved through the area.

Crews from the Whitestown Fire Department and Zionsville Police Department also assisted at the fire scene.
