**For Immediate Release:**

Sept. 5, 2018

### North-South Connector public input meeting announced

**WHAT:** The Town of Zionsville has announced a public meeting to present the current design of the North-South Connector road project. Renderings and plans prepared by the project engineer will be on display and available for viewing.

**WHEN:** Tuesday, Sept. 18 at 6:30 p.m.

**WHERE:** Town Hall St. Vincent Community Room (2<sup>nd</sup> floor)

**WHO:** Town of Zionsville staff and project engineers will be present to answer questions.

**WHY:** Design is being finalized on a new roadway segment that will connect the intersection of Oak Street and CR 850 East/Cooper Road with CR 875 East to the north, also known as the North-South Connector. The design contemplates a roundabout at the intersection of 850 East/Cooper Road and Oak Street as well as a roundabout at the intersection of CR 875 East and Whitestown Road/CR 500 South. The project is also expected to include a 10-foot multi-use path along the east side of the new road.
