STREET AND STORMWATER DEPARTMENT REPORT FOR THE MONTH OF AUGUST, 2019

1. **STORMWATER PERMIT ACTIVITIES**

- a) Twenty-one (21) stormwater pollution prevention plan inspections were conducted at permitted construction sites.
- b) Fifteen (15) Stormwater Individual Lot Permits were issued for new residential construction projects.
- c) Continuing the second round of sweeping with 8.1 tons of debris collected.
- d) Hosted the Boone County Solid Waste Management District's annual Household Hazardous Waste Disposal and Electronics Recycling event at the Municipal Services Building. A record 697 vehicles visited the event.
- e) Held the annual Creekfest event at Elm Street Green and clean up along Eagle Creek. Creekfest is a collaborative effort involving the Street & Stormwater and Parks Departments, Boone County Solid Waste Management District and Zionsville residents and businesses. Stream cleanup resulted in 1,660 pounds of trash removed.

2. **ZIONSVILLE RD. PROJECT**

Construction is ongoing, and asphalt has been placed on the southern portion of the project. The work of utilities has delayed the project, and the current anticipated date to reopen the road to through-traffic is now December 23rd.

3. **NORTH-SOUTH CONNECTOR**

Design work is nearing completion for this project, and negotiations continue with two (2) property owners from whom new right of way must be purchased; all other parcels have been secured or are in the process of securing with agreed terms. A definitive construction schedule is not yet known, and all efforts are being made to begin work in 2019.

4. **2018 ROAD REHAB PROJECT**

Work is complete on this project and the contractor is completing punch-list items.

5. **2019 ROAD REHAB PROJECT**

Work on the following roads has begun and will continue through November:

- Ford Rd. from I-865 to Oak St.
- Ford Rd. from Cruse Rd. to Mulberry St.
- Pine St. from 1st St. to 6th St.
- Andrade Dr.
- Isenhour Hills Dr.
- Tillson Dr.
- Moss Lane
- Summersong Rd.
- Winterstill Rd.
- Waterford Dr. from Village Walk Dr. to Waterford Ct.
- Waterford Ct.

6. **FORD RD. & BLOOR LANE ROUNDABOUT LANDSCAPING**

Work has begun on new landscape and hardscape elements within the center of the roundabout. This work includes low masonry walls and upgraded plant materials, but will preserve the tree at the center which was planted by a local Eagle Scout candidate. Due to the nature of this project's material design and production as well as optimal planting times, work will be ongoing intermittently through November.

7. **2019 CURBSIDE LEAF COLLECTION**

Curbside leaf collection for residents in the urban service district will begin the week of October 21st and run through December 6th, pending winter weather. Additional days may be added depending on the need and favorable weather.

8. **2019 FALL BRUSH AND LIMB COLLECTION**

The fall round of brush and limb collection for residents in the urban service district begins Monday, September 30th. As was the new condition in the spring of this year, the town will be divided into two (2) large regions. All residents within each area will be required to place their brush and limbs on the Monday of their week. Town crews will then make as much progress as possible each day, and have all brush and limbs collected by the end of the week. The specific schedule and areas have been posted to the Town's web site and coordinated with the Director of Communications and Community Relations for dissemination. Residents may contact the Street and Stormwater Department for their specific week of collection as well.

PUBLIC NOTICE

Fall 2019 Brush & Limb Collection

The Town of Zionsville's Street & Stormwater Department will be providing curbside Brush & Limb Collection **beginning Monday, September 30, 2019**. This service provides Zionsville residents in the Urban Service district a means to dispose of certain pruning and yard debris. All items must be placed curbside by 7:30 a.m. on the Monday of your designated week. Crews will work to collect all properly placed material no later than the following Friday, but may complete this task earlier.

The limit on size is 6 inches in diameter and smaller. Grass clippings, leaves, decorative grass, vines, stumps, root balls, construction lumber, firewood, and wooden fencing material will NOT be collected. Bundling is not required. Limbs up to 6 inches in diameter may be left intact but should be no larger than can be managed by one person.
