### 2022 fall Brush & Limb Collection

The Town of Zionsville's Department of Public Works will provide curbside Brush & Limb Collection the weeks of Monday, September 26, 2022 and Monday, October 3, 2022. This service provides Zionsville residents in the Urban Service District a means to dispose of certain pruning and yard debris ([click here](#) to view a map of Rural vs. Urban Service Districts). All items must be placed curbside by 7:30 a.m. on the Monday of your designated week. Crews will work to collect all properly placed material no later than the following Friday but may complete this task earlier.

The limit on size is 6 inches in diameter and smaller for each piece. The total pile size should not exceed what would fit in a pickup truck. Grass clippings, leaves, decorative grass, vines, stumps, root balls, construction lumber, firewood and wooden fencing material will NOT be collected. Bundling is not required. Limbs up to 6 inches in diameter may be left intact but should be no larger than can be managed by one person. It would also be helpful to crews if all limbs are piled facing the same direction for ease and safety of chipper loading.

It is important to note that this service is not designed for full tree removal. This type of full tree removal should be completed by a tree service contractor, including hauling away material at the homeowner's expense.

#### Week of Monday, September 26, 2022
