

## ZIONSVILLE WASTE WATER MONTHLY REPORT

	<u>JANUARY 2011</u>	<u>JANUARY 2010</u>
TOTAL FLOW	28.55 Million Gallons	33.57 Million Gallons
HIGHEST DAILY FLOW	1.313 MG	1.632 MG
AVERAGE DAILY FLOW	0.921 MGD	1.083 MGD
PRECIPITATION	1.9 in	1.7 in
NPDES VIOLATIONS	0	0

### ADDITIONAL COMMENTS:

- All of the sewer lines have been installed and tested for the Zionsville Road Sewer Project. The lift station is the only major component of the project that is not substantially complete and that is scheduled for completion and start up during the first week of March. Restoration of the construction area will follow when weather permits.
- Attended separate meetings with Commonwealth Engineering with Clay Township Regional Waste District; the City of Westfield and Hamilton Southeastern Utilities to discuss the sanitary sewer master plan.
- Attended the Utilities and Environment Committee Meeting (Wastewater Master Plan)
- Attended the Zionsville Road Sewer Project progress meeting with representatives of HNTB and Weihe Construction, Inc.

Respectfully submitted:

Dennis Mackey  
W.W. D. Superintendent
