ADDITIONAL COMMENTS:

1. The 2010 Sewer Project is proceeding on schedule with design work being nearly complete. The project is expected to go out for bid this month followed by the bid opening in May.
2. Work continues on the Zionsville Road Sewer Project. The contractor, Weihe Construction, Inc., has nearly completed the installation of the lift station wet well, cleared and grubbed the ground for the new 24in interceptor sewer, and has had most piping delivered and on site.
3. A walk through of the area of the 2009 Sewer Project was done with Atlas Excavating, Inc. and a punch list was developed for pavement and yard repairs.
