## ADDITIONAL COMMENTS:

- The Zionsville Road Sewer Project has experienced further delays and the contractor, Weihe Construction, Inc., has submitted an amended project schedule that shows final completion to be in mid January of 2011. All gravity and force main sewers have been installed and tested. The lift station has substantial work remaining and the standby generator will not be delivered for installation until January.
- Attended the first meeting of the Zionsville Sewer Master Plan working group and have been providing Commonwealth Engineer, Inc. with technical assistance for the existing waste water plant and collection system.
- Attended the Zionsville Road Sewer Project monthly progress meeting with HNTB and Weihe Construction, Inc.
- Prepared the amended 2011 Waste Water Department budget and provided copies to the Town Manager for distribution to the Town Council.
- Attended the Town Council Agenda Meeting for December to answer questions concerning the 2011 Waste Water Department's proposed budget.

Respectfully submitted:

Dennis Mackey  
Waste Water Department Superintendent
