Parks and Recreation Activity Highlights:

Zionsville Parks Golf Course

Weather was hot and dry in June. Our gross operating profit for June 2012, was ~\$52,749.48. This is over \$11,000 more than the same figure for last month. The 2011 gross operating profit for June was ~\$40,214. Of course last year was a generally a poor year weather-wise. However this year's June number is also higher than then both the June figures in 2009 and 2010. In both cases the gross operating profit for this past month beat those two earlier years' numbers by \$8,234 in 2009 and \$14,998 in 2010.

Other Highlighted Matters

In response to the lawn watering ban issued by Citizens Water, all department irrigation systems have been turned off. The spray park at Mulberry Fields remains operational at this time. If it becomes necessary to shut down the spray park, notice will be posted on the Town's web site.
