For Immediate Release:

April 3, 2017

Upcoming road closures and projects

Below are updates on Zionsville road projects.

The Boone County Highway Department has announced the following closures in the Zionsville Rural area for the purpose of installing culvert replacements. These closures are expected to be single-day closures:

- Tuesday, April 11: CR 550 South from CR 700 East to CR 800 East
- Wednesday, April 12: CR 550 South from CR 800 East to CR 875 East
- Thursday, April 13: Hunt Club Road from CR 775 East to CR 850 East

Due to the nature of the work, all of these are weather dependent and subject to change.

Additionally, the following projects have been put out for bid by the Zionsville Street & Stormwater Department with a bid opening scheduled for April 13. Streets segments currently included in the project are:

- Village Walk Drive including Village Walk Court
- Oak Street/1st Street/Sycamore Street corridor generally from Town Hall to Elm Street
- Templin Road (CR 550 South) from Willow Road to Michigan Road
- Old 106th Street
- CR 600 South (Cruse Road) from Ford Road to CR 950 East
- 4th Street from Hawthorne Street to Sycamore Street
- 2nd Street from Oak Street to Sycamore Street

Completion of projects is dependent upon receipt of contractor pricing and therefore projects are subject to change. Additional roads may be considered this year based on pricing received from contractors.
