

CHILDREN OF INDIANA

A Proud Partner of the
CHILDREN OF INDIANA

A CELEBRATION OF THE
HOOSIER BICENTENNIAL

NATURE PARK

DID YOU KNOW that there is a piece of land in east central Indiana that has been deeded to all of the children in Indiana because we think you are **IMPORTANT** and because **PROTECTING NATURE MATTERS?**

NOPE, you won't find slides and swings there (it's not that kind of park!), but you **CAN** find trees, insects, signs of critters, and life around every corner. So how can you help protect this land? You can start by learning about nature at Zion Nature Center! Have fun exploring today, then claim your deed with your family, school or group!

This Bicentennial Legacy Project was made possible by the following partners:

The Nature Conservancy
