

TRASH/RECYCLING COLLECTION

Residents will have their trash and recycling collection provided by our contracted trash company - Ray's Trash Service. The monthly fee for both services is **\$9.90** and is billed by the Town of Zionsville.

Ray's Trash Service will provide trash every week on your designated day and Recycle collection will be every other week on the same day as your trash service. Collection will occur between 7:00 a.m. and 5:00 p.m. Please have all materials to the curb by 6:30 a.m.

As far as **trash** containers go you can purchase your own (there are no specifications on the size), rent directly from Ray's by calling 317-539-2024 (the cost is \$60 per year with a \$5 delivery fee), or you can set out up to 6 bags. Overage stickers (if you will exceed 6 bags) can be purchased at the Zionsville Town Hall for \$1.00 per bag.

Acceptable garbage includes: ashes, garbage, rubbish, refuse, waste materials, cans, bottles, rags, paper and other ordinary household waste that is generated through normal use, as well as incidental yard waste. Unacceptable refuse: large hedge and tree limbs, grass clippings or shrub or brush removal.

There should be a 95 gallon green container with a yellow lid at the home. This is designated for **recycling**. There is no additional charge for this container. If for some reason there is not one at the home please contact Mindy Klinedinst at 317-873-2469, and we will get one ordered. Customers are able to get up to 2 recycle bins.
