Creekfest, and our clean-up event, is a celebration of Eagle Creek through recreation, stewardship and education and features activities for all ages. There are a variety of opportunities to get involved such as volunteer to clean designated areas of Eagle Creek, be an exhibitor at the festival portion of the event or be a sponsor. If you or others you know would be interested in being an cleanup volunteer, please see contact information below to obtain a separate form with more details. As an exhibitor, you would provide a booth, activity, food or entertainment during the festival portion of the event.
