Dear Councilor Choi:

This is from Marcia and Gary Angstadt. We live at 496 N.Maple St., and are writing to ask you to vote "YES" to the bond issue for the purchase and phase one development of the Carpenter Nature Preserve. We are very supportive of bringing this beautiful piece of property into our park system and to ensuring this land is enjoyed by generations of nature loving Zionsville residents.

Thank you for your help to preserve this very special piece of land!

Gary and Marcia Angstadt
