Dear Town of Zionsville,

Thank you for allowing Jim and I the opportunity to work with the town to create a wonderful park for people and nature to be enjoyed for generations to come. Many thanks to the Parks Board members for their support as well as the tireless work by Superintendent Jaraod Logston to bring this to reality.

We hope all of the Zionsville Town Councilors will recognize this incredible once in a lifetime opportunity and vote YES.

Please include this on the official record. Thank you.

Sincerely,
Nancy and Jim Carpenter
