Subject: please vote YES for the bond issue for Carpenter Nature PReserve

Dear Josh,

This is from Gary Angstadt and I am writing to ask you to vote "YES" to the bond issue for the purchase and phase one development of the Carpenter Nature Preserve. I am very supportive of bringing this beautiful piece of property into our park system and to ensuring this land is enjoyed by generations of nature loving Zionsville residents.

Thank you for your help to preserve this very special piece of land!

Gary
