For Immediate Release:

July 10, 2023

2023 Heavy Trash Collection

WHAT:

The Town of Zionsville's Department of Public Works (DPW) and Priority Waste will provide the annual Heavy Trash Collection in August for residents in the urban service district. This service provides Zionsville residents in the urban service district, who currently pay for regular trash/recycling through the Town, a means to dispose of objects and materials not normally accepted by weekly trash service.

WHEN/WHERE:

Starting the week of Monday, August 7 and continuing through the week of Monday, August 28, residents may place **up to three heavy trash items** curbside on each of their two non-recycle weeks in August. There is no weight limit for the items placed. Tires and refrigerant-bearing appliances DO NOT count against the three item per week limit.

Items must be placed curbside by 7 a.m. on your non-recycle week to guarantee collection.

TIRES AND REFRIGERANT BEARING APPLIANCES:

To dispose of used tires and refrigerant-bearing appliances, residents must contact the DPW at (317) 873-4544 prior to collection date to provide their address, item(s) to be collected and day of collection.

Appliances containing a refrigerant do not need to be purged prior to pick-up and will be properly recovered and disposed of upon collection.

MORE:

For more information on acceptable and unacceptable items, visit www.zionsville-in.gov/152/Heavy-Trash-Collection.

Zionsville trash and recycling customers served by Priority Waste may schedule bulk or heavy item collection at any time at www.prioritywaste.com/cities-we-serve/zionsville/.

CONTACT:

For questions, call DPW at (317) 873-4544.
